schleich WILD LIFE Alpaca Set:

The Alpaca Set from schleich® WILD LIFE includes one adult animal and two young.

The animals in the Alpaca Set from schleich® WILD LIFE come from the South American Andes, where they are bred for their soft, warm wool. They are hump-less camels with a calm and friendly temperament. The two young animals have different coats: One is white, the other brown. They are suckled by their mother for 6-8 months before starting to eat grass.
