schleich ELDRADOR CREATURES Frost Mammoth:

You can hear the giant frost mammoth coming from afar. It stomps through the ice world on mighty legs. The prehistoric giant looks terrifying with its shaggy fur and large crystal tusks. But actually, it is quite a peaceful fellow and prefers to use its brains rather than just fight. That's why it's always good to have around in times of conflict. But that does not mean people don't respect it. It can simply pick up anyone who messes around with its tusks. Easy peasy!
