Cellularline Sensation - iPhone 16e/17e Soft-touch silicone case with built-in Microban® antibacterial technology:

SENSATION is the silicone case made from soft-touch material and a soft scratchproof microfibre interior lining that adheres perfectly to the design of your smartphone, while protecting its corners, edges and connectors. It's made with Microban® antibacterial technology which kills up to 99.9% of bacterial growth on the surface of the case and stays constantly active because it's built into the material of the Sensation case.
