Fellowes VESA Thin Client Holder White
Fellowes 100136874 CPU holder White:

Optimise your workspace by securely mounting your thin client or small CPU with this versatile VESA holder. Designed to support devices up to 5kg, it features an adjustable width range of 17-70mm to accommodate a variety of models. Its 3-in-1 mounting system gives you the flexibility to install your device behind a monitor using the VESA interface, clamp it to a monitor pole, or mount it discreetly under your desk. The open-frame design not only enhances airflow to prevent overheating but also ensures easy access to ports and connections. An adjustable strap keeps your device firmly in place, offering added security and stability throughout the day.
