From metal tread plate and textured PVC to wood and glass, DYMO Durable Industrial LabelWriter Labels are the perfect solution for challenging labelling tasks. The industrial-strength adhesive and protective coating resist peeling from abrasion, heat, moisture, solvents, and cleaners, making them ideal for shelving, floor markers and chemical storage. The indoor/outdoor labels are pre-cut for easy application and available in a range of sizes designed for specific tasks. They also use cost-effective direct thermal printing technology that prints without expensive ink or toner. UL recognized as a component to UL 969.
