 - Designed in Germany and CE certified.
 - Note: A professional grounding kit to avoid static charges is available separately.
- EASY-ON® Clean Room

Displex EASY-ON® Clean Room:

DISPLEX EASY-ON® Clean Room

The mobile mini cleaning room EASY-ON® Clean Room was developed by DISPLEX engineers to create an efficient possibility for a low-dust environment and therefore meet the specific requirements of a simple protective glass application.

Using the flowbox method, a steady stream of filtered air cleans the work area and keeps it dust-free. In addition, the incorporated anti-static mat protects the sensitive equipment, provides a good grip and prevents static charging of the work area (when operating with ESD kit).
