Penguin Family Fun

schleich Penguin Family Fun:

Penguin family fun really lives up to its name! Just hatched from the egg, the little baby penguin is already exploring the icy cavern under the ice floe. Its slightly older sibling throws itself onto the ice slide with gusto. Wheee! Fun toy set with oceanic animals for children over 3 years.

These penguin kids are pretty wild! The older penguin just can't get enough of the ice slide. Again and again it hurtles down the slippery ice chute. And splash - it lands in the water. It quickly swims back over to the ice floe with the slide. Wait what's that cracking sound? Oh, the little baby penguin is hatching from its egg! It wants to join in the penguin family fun right away. Look how cute it is, waddling awkwardly up the slope to get to the ice seesaw.
