PanzerGlass ® Privacy Screen Protector iPhone 11 Pro | Embellished w. crystals from Swarovski® | Edge-to-Edge:

Prying eyes? No thanks. Stylish privacy? Yes please. This PanzerGlass® DualPrivacy™ screen protector has a specially designed privacy filter that renders the content of your screen virtually invisible to people sitting next to you as well as a built-in CamSlider™ embellished with clear crystals from Swarovski®. Simply slide left to block your camera - when you want your privacy - and right to open again.

Accidental bumps against sharp-edged dangers in your pocket or crushing falls onto stone-hard pavements are also no match for this scratch and shock-resistant screen protector.

The Edge-to-Edge screen protector covers the entire front surface of your phone, while leaving room for a case.
