Product code: DA7900
Product name : DA7900

Black 0.5 meters U/FTP CAT6A LSZH Slimline patch cable with RJ45 connectors 90° angled down to 90° angled up

ACT DA7900 networking cable Black 0.5 m Cat6a U/FTP (STP):

CAT6A U/FTP slimline datacenter patch cables are smaller in diameter (3.8mm vs 5.9mm) than regular CAT6A patch cords. The bend radius is smaller compared to standard patch cords. This results in better airflow in the server rack or network cabinet.

The patch cable has a 90° angled down RJ45 connector to a 90° angled up RJ45 connector. Ideal for situations where space is limited without compromising the bend radius. For example in network cabinets and behind equipment.

Also available with a straight, 90° angled left or right RJ45 connector.

The use of a LSZH (Low Smoke Zero Halogen) cable jacket reduces the risk of high concentrations of toxic gases if the cable is damaged by fire or short circuit.

The ACT U/FTP patch cable has full copper 32AWG wires and 50μ gold-plated RJ45 contacts and complies with international standards.
