Bosch GCG 18V-310 Cartridge caulking gun:

The compact GCG 18V-310 caulk gun delivers cordless convenience for cartridges of up to 310 ml. Controlling material flow is easy thanks to the gun's speed selection with nine speed settings and a variable speed trigger. It enables fast working progress even with high viscosity adhesives with a push force of 3.5 kN and a maximum feed of 8 mm per second. The tool's auto-reverse function relieves pressure on the plunger rod when the trigger is released, eliminating dripping and material overflow.
