

## Lindy HDMI and IR over IP Extender

**Brand :** Lindy

**Product code:** 38398

**Product name :** HDMI and IR over IP Extender

- Distribute HDMI signals 1-1 or 1-many as part of a networked installation
- Supports resolutions up to 1920x1080@60Hz
- Supports IR and HDMI loop-out port on the transmitter
- Add additional and receivers to the network for larger scale distribution
- 2 year warranty

HDMI and IR over IP Extender

Lindy HDMI and IR over IP Extender. Type: AV transmitter & receiver, Maximum resolution: 1920 x 1080 pixels, Cable types supported: Cat5e, Cat6. Connectivity technology: Wired. Operating voltage (transmitter): 5 V, Output current: 1 A, Operating voltage (receiver): 5 V. Receiver dimensions (WxDxH): 88 x 61.2 x 16.5 mm, Receiver weight: 530 g, Transmitter dimensions (WxDxH): 88 x 61.2 x 16.5 mm. Quantity per pack: 1 pc(s), Package width: 220 mm, Package depth: 130 mm

| Features                      |                           | Power                             |                                                                |
|-------------------------------|---------------------------|-----------------------------------|----------------------------------------------------------------|
| Type *                        | AV transmitter & receiver | Operating voltage (transmitter)   | 5 V                                                            |
| Maximum resolution *          | 1920 x 1080 pixels        | Output current                    | 1 A                                                            |
| Cable types supported         | Cat5e, Cat6               | Operating voltage (receiver)      | 5 V                                                            |
| Maximum transfer distance     | 150 m                     | Operational conditions            |                                                                |
| Chipset                       | SSC337DE - SSD203D        | Operating temperature (T-T)       | -10 - 50 °C                                                    |
| Maximum refresh rate          | 60 Hz                     | Storage temperature (T-T)         | -20 - 60 °C                                                    |
| Infrared (IR) frequency range | 20 - 60 kHz               | Operating relative humidity (H-H) | 20 - 90%                                                       |
| Supported video modes         | 1080p                     | Weight & dimensions               |                                                                |
