BABY born @ Hannah Let's Play 36cm:

BABY born Hannah Play with me is suitable for children aged 1 year and over thanks to her soft fabric body and 36cm height. Hannah's play principle is child's play. She reacts to every movement and interaction: If you hold her bottle to her mouth, she makes cute sucking noises, if you gently press her tummy, she announces with an "egg yes" that she feels good. If you tilt her to the left and right, she gives a little hiccup and a cheerful laugh. If you put Hannah to sleep after extensive play, she closes her eyes, breathes softly and finally falls asleep. She has her bottle, dummy and a casual hooded romper with her. Thanks to the easy handling, Hannah's small size and her simple play principle, even the youngest children can look after their baby doll.
