Jersey Cow

schleich Jersey Cow:

The pretty Jersey Cow is immediately recognizable by its yellowish coat and black muzzle. She is also much smaller than other cows. Her friendly nature makes her very popular with people. She is also quite pretty!

The Jersey Cow gives the visitors at the pasture fence a friendly look with her black eyes. She comes trotting over right away because she's very trusting. Good friends are even allowed to get close enough to stroke her yellowish coat. She loves to be patted like that. Gently she pokes at their hands with her soft muzzle: Don't stop! She's only 1.20 meters high and so much smaller than many other cattle breeds. Together, the herd loves to stand on the pasture, where they can always find lush new grass. Everyone enjoys these regular visits.
