Wire-Haired Dachshund

schleich FARM WORLD Wire-Haired Dachshund:

With its tousled fur and moustache, the Wire-Haired Dachshund looks so huggable! Most of the time, however, this ruffian doesn't hang about for cozy cuddles on the couch. This hunting dog would rather go out and have an adventure! If it can't frighten any rabbits on a walk, it will also be happy to play with a ball. Which other dog from FARM WORLD will be its friend?

The Wire-Haired Dachshund raises its cute tousled head with its distinctive moustache. It watches your every move and knows when you are about to leave the house. Going out? It's right there with you! This little whirlwind is very lively and always up for an adventure. It gets especially excited when there is a wild animal in the forest to be sniffed out. That's when its hunting instinct kicks in. It isn't even afraid of going into deep holes. Although it has short legs, it can dig holes like a champ. Before you know it, its long little body has completely disappeared!
