American Spotted Donkey

[schleich American Spotted Donkey:](#)

Dappled or specked, stippled or flecked - no matter how you say it, the American spotted donkey is an instance fan favorite. With its signature patchwork coloring and lifelike details, this lovable toy donkey deserves a special spot on your child's schleich® farm.

With its brown spots and light coat, the spotted donkey looks really pretty and differs from its mostly gray or brown counterparts. Like them, however, the American donkey has the typical long ears. It can hear really well, especially when it is being as attentive as now, with ears pricked. It pays close attention to everything going on in the farmyard. Pretty clever, isn't it?
