Noriker Stallion

[schleich Noriker Stallion:](#)

The black Noriker stallion is a robust mountain horse, built to conquer even the steepest trails with a sure-footed stride - perfect for navigating the rugged terrain of your child's favorite play area.

With white socks on his hind legs, the otherwise pitch-black Noriker stallion looks really friendly. No wonder: These horses are known for their sweet nature. Has he won your heart over yet? Standing firm and compact, the Noriker is not easy to upset when he's in his paddock. And that's a good thing, because he can't afford to lose his nerve when winding up the narrow mountain trails of his home country!
