Horse Obstacle Course Accessories

[schleich HORSE CLUB Horse Obstacle Course Accessories:](#)

Challenge yourself -and your horses -with the obstacle course from schleich® Horse Club. Adjustable poles let you jump to new heights. Be careful jumping over the water ditch! You'll be ready for the tournament in no time thanks to all the practice with the Horse Obstacle Course Accessories.

Training is fun, but winning at the show jump is even better! With the obstacles from the HORSE CLUB by schleich® you can do both. For optimal training, the height of the obstacles can be changed gradually. This way, you can introduce the horses to jumping gradually, depending on their ability, and improve their technique bit by bit. When they are ready, it's off to the real show. There's even a ditch and a hedge with a water basin in front of it. It's a good thing you trained so well beforehand!
