schleich WILD LIFE 43266934 children's toy figure:

The Emperor Penguin from Schleich® WILD LIFE has yellow spots on its ears and black and white plumage that looks like a tuxedo.

The Emperor Penguin from Schleich® WILD LIFE is the largest and heaviest penguin species. It is also unique for living so far south in Antarctica. Emperor Penguins don't build a nest, instead brooding directly on the ice. After laying an egg, the female goes back to sea to hunt for fish, leaving the male to look after the egg. He places it on his feet and incubates it under his abdominal crease.
