

Bosch SDS plus-9 RebarCutter Drill Bits

Brand : Bosch

Product code: 2 608 586 996

Product name : SDS plus-9 RebarCutter Drill Bits

SDS plus-9 RebarCutter Drill Bits

Bosch SDS plus-9 RebarCutter Drill Bits:

The SDS plus-9 RebarCutter Drill Bit is specially designed for cutting through rebar in reinforced concrete. Its firmly fixed carbide teeth are uniquely shaped to maximise drilling speed and wear resistance. The bit's steep 2+2 flute design enables optimum dust removal and long lifetime. Moreover, this flute design is also vibration-optimised for the best power transfer and speed. Additionally, a ventilation hole in the bit dissipates heat and enables metal chip removal. It is compatible with rotary hammers with SDS plus holders and should be used without impact. Do not cut through rebar unless a structural engineer issues approval.

Bosch SDS plus-9 RebarCutter Drill Bits. Length: 300 mm

Features

Length * 300 mm
