Retro Farm

[schleich FARM WORLD Retro Farm:](#)

The large farmhouse from schleich® is made of wood and can be conveniently opened and closed at the side. This makes the spacious stable with the hayloft easy to access and the fun can begin. A practical carry handle is integrated into the roof, so you can take the farm with you wherever you go. The wooden farm is suitable for children aged 1 ½ years and up.

If you let your eyes wander across the fields, the farm is easy to spot. The bright red farm with its large barn door and high roof immediately catches the eye. The walls of the wooden building are painted red, window frames and door bars are painted white. It looks so inviting that you want to drop by straight away. A glance inside reveals: There is plenty of space in the loft for hay and straw. The white fence elements are shopd in the stable. They simply have to be put in position to create a juicy pasture. So, everything is ready for moving in! When do the animals arrive?
