Occamy

schleich Occamy:

The Occamy™ looks beautiful with its purple-coloured wings. The long, snake-like body with the lizard skin shimmers turquoise-purple. The head ends in a sharp beak. The large, yellow eyes of the mythical creature keep a close eye on its surroundings. Impressive!

The Occamy™ has knotted its long, shimmering snake body into a compact package and spreads its large wings. It raises its head and watches carefully to see what is going on. If necessary, the mythical creature can immediately take to the air and fly away like the wind. However, the Occamy™ can also make itself tiny and even fit into a teapot. So this beautiful creature only shows itself when it wants to. Truly remarkable!
