Braun BC02XB alarm clock Quartz alarm clock Black:

This Braun classic travel analogue alarm clock has an easy to read dial layout and features the iconic yellow second hand that is synonymous with Braun’s award winning design history. Its compact size (W5.7cm x H5.7cm x D2.7cm) and lightweight construction means it is the perfect travel companion. The iconic design of this Braun classic travel analogue alarm clock originates from the renowned AB 1, designed in the late 80’s by Dietrich Lubs. Recently, this clock has been updated to include an improved movement and luminous tipped hour and minute hands, as well a snooze/light function. The clean simplistic dial and contrasting hands (with luminous tips) offers great legibility, and the quartz tick movement is quiet and precise.
