ICY BOX IB-AC6113 USB 3.2 Gen 1 (3.1 Gen 1) Type-B 5000 Mbit/s Black:

The wild thirteen

This is a reason for jealousy, having 13 USB 3.0 ports suddenly at your fingertips. No more compensating one device for the other. Having so many free ports is of course not only useful for work in the office but very handy for the PC at home too.

Fast charging port

In order to be able to additionally charge smartphones, tablets, and batteries, this hub is equipped with a fast-charging port. this port provides 2.1 Amper rather than the normal 0.9 Amper provided by a normal USB 3.0 port.

Real friendly

This device is very user-friendly thanks to the use of aluminum which is light and very good in heat dissipation and the additional On/Off button. It provides silent cooling and it protects the mobile devices and it can be turned off, which makes both the environment and the pocket happy.
